

REMARKS

By this amendment: (1) claims 5, 11 and 30 are amended to correct minor typographical errors; and (2) claims 4, 10, 28 and 29 are amended to be in independent form as requested by the Examiner to make them allowable.

This amendment does not go to the merits of the case since it only corrects minor typographical errors and changes claims from dependent to independent form.

Claims 1-12 and 28-30 are now in this application. In view of the above amendments it is respectfully requested that this application be reconsidered and this amendment entered as placing the case in better condition for appeal.

Respectfully submitted,

Vincent L. Carney
